

**FLUSH-MOUNTED SIMPLEHOME LCD THERMOSTAT
MODULE**

Thermostat module with integrated temperature sensor and LCD display for viewing and adjusting room temperature, equipped with a manual selector summer/winter/off selector and an input for switching between day/night modes, can control a solenoid valve/boiler via the on-board relay or via any digital or powered output on the SimpleHome modules. Can be used to control a 3-speed fan-coil. Dimensions: 3 flush-mounted modules on civil series, supplied with adapters for common civil series. Consumption: < 20 mA.

**Compatibility**

Home automation family: Yes

Mounting/Installation

Flush-mounted: Yes

DIN rail mounted: No

Audio/video specifications

Type of display: LCD

Hardware specifications

Removable terminals: No

Connectivity

No. of Simplehome buses: 1

Relay output: 1

Functions - Settings

Climate management: Yes

Fancoil management: Yes

Technical properties

Temperature range: 0 / 50

Electrical specifications

Maximum current absorption (mA): 20

General info

EAN product code: '8023903192636

DATA SHEET

Intrastat code: 85361010

Product colour: WHITE BLACK

Packaging

Single pack height (mm): 65

Single pack width (mm): 52

Single pack weight (g): 200

Single pack depth (mm): 48

Single pack volume (dm3): 0,162
