PLANUX COLOUR VIDEO MEMO KIT - SINGLE USER

Single family colour video entry phone system kit. It consists of the new Ikall entrance panel, with clean and attractive lines and the Planux Memo monitor with touch-sensitive technology. The kit can be used as a system base, to create systems to which a maximum of 10 residences are connected. Planux Memo can record up to 100 mini-videos of 10 seconds each if calls are unanswered. These messages can also be stored on an SD card and viewed when desired.
