

**TWO-FAMILY COLOUR BRAVOKIT IKALL ENTRANCE PANEL**

Colour two-family kit with bravo monitor and ikall entrance panel. Expandable up to 3 internal units for each dwelling. Manages floor door calls and intercom calls and allows button programming for various services, compatible with accessories in the simplebus range. The kit can be used as a secondary entrance and connected to a main entrance for the creation of residential systems with up to 30 dwellings. Can also be used as a system base for installations with up to 10 users in 2+2 wire technology.
