

SMART SINGLE-FAMILY COLOUR KIT WITH IDEA

Single user colour video kit with the Idea entrance panel and Smart monitor. The privacy and intercom functions are standard features of the Smartkit. In order to use the intercom function, the single-family kit must be expanded with one or more additional door-entry phone/monitors. The kits can be expanded to create solutions with 2 or more external units and 3 monitors per residential unit, this can be expanded to a maximum of 16 units through the addition of part 1252.
