

Product Code

F07720

CORA PROXIMITY FRONT VIEWER

Reference

7720

EAN

8424299077208

Description.

Description

CORA in SERIES 8 size facilitates replacement in existing Cityline/Skyline S8 flush-mounted boxes (in which case the CORA FLUSH MOUNTING PANEL SET Ref.7708 must be ordered separately).

In addition, it can house the DESFIRE SKYLINE PROXIMITY READER (ref.7463) or RFID proximity readers from other manufacturers, if necessary.

The black front panel that is mounted by default on the CORA S8 plate can be replaced by this front display with proximity iconography (ref.7720), which includes a fixing element for these additional readers.

The additional proximity reader can be connected to an external door controller or to the Wiegand input of the plate, or send the identifiers read from the integrated EM 125KHz reader to an external controller, such as AC-MAX (ref.5223 or ref.5224).
