**CHROMED ZAMAK PUSHBUTTONS
AND REINFORCEMENTS**

MADE IN ANODISED ALUMINIUM

IP43 IK07

Dimensions: 130 x 294 mm

DUOX^{plus}

MAIN BENEFITS

- Duox Plus technology: the only 100% digital Smart System in 2 wires.
- Modular panel: the module-frame clip-on assembly system is very simple and effective.
The line is made up of 9 frames of different sizes where the different modules fit easily: pushbuttons, cardholder, camera, amplifier, access control.
- Voice Synthesizer available in 32 languages.
- Also available with Desfire proximity reader for more security by adding ref. 7463 with frame ref. 7336.
- Possibility to combine two or more panels, as long as they are from the same series, to have a greater capacity of buttons and accessories (ref. 8829 to combine frames).
- With Skyliner, you can create your own designs, save the image and obtain a complete list of materials in order to prepare a quote.

Accessories*

ref. 8856 : flush box	115x280x45
ref. 7066 : surface box (with hood)	130x294x33
ref. 8405 : hood (for flush boxes)	135x300

*Accessories depend on the size of the panel. Consult page 47 of the general catalogue or Skyliner tool for references.

Technical specifications of amplifier

Power supply	18-24 Vdc
Consumption on standby	240 mA
Consumption working	560 mA
Working temperature	-25 to +70 °C
