Model BF bellfree Colour Video Apartment Station

The **bellfree** apartment station is a welcome addition to our range of door entry systems. Its sophisticated features and universal appeal make it the ideal choice for new build apartment blocks and refurbishments.

- High quality colour video with 3.5" TFT screen.
- True 'hands-free' operation with outstanding speech clarity. Utilises a semi-custom Digital Processor with 'Adaptive Acoustic Echo & Ambient Noise Cancellation'.
- A sensitive Touch Pad for user operation, with universal graphic symbols and multi-coloured back-lighting.
- Discreet contrast and call-tone volume controls.

- Attractive contemporary design and slim profile.
- White satin-gloss finish to complement most wall furnishings.
- Surface or flush fitting without additional brackets or connectors.
- Uses CAT5 cables and removable connectors for ease of installation.
- Compatibility with bellissimo video telephone (model BS) and BSA audio telephone (additional equipment required for retrofits). Perfect for mixed housing developments.
- Available with a complete range of vandal resistant stainless steel panels, both digital and standard.

BS EN ISO 9001:2000
Certificate No. GB2000389
