Resistant

## STILL AVAILABLE WITH COLOUR AS STANDARD, AT BLACK AND WHITE PRICES

The contemporary and stylistic *bellissimo* video telephone has a slim-line and curvaceous profile. It is supplied in white to complement most modern wall furnishings and is now the preferred choice of many of the UK new build property developers.

With a fresh modern look the video telephone incorporates a 3.5" colour TFT screen with an adjustable tilt mechanism for optimum viewing and soft silicone rubber backlit buttons. These telephones operate on standard CAT5 cable and are wall mounted without the need for additional brackets and connectors.

Each standard BS packaged system provides all of the components necessary to install a complete video door entry system.;

- bellissimo video telephones
- front door panel with colour day/night CCD colour camera with infrared lamps
- controllers
- 12v DC power supply
- surface lock release
- full wiring and installation manual

Put colour into your customer's life, it's *bellissimo*. . . . .
