

REF. 09196 CITY PANEL S6 MODULAR DECORATIVE FRAME

Display frames allow old door entry or video door entry systems to be substituted with new CITY models, completely covering any gaps and integrating fully into the new panels' finish. Ensure that the pack supplied includes all materials and follow the instructions to install the frame quickly and easily. There is an extension kit for Double or Triple Panel Frames which include profile fittings and the corresponding accessory pack.

New Cityline Panel

CityLine is the "continuous profile" outdoor panel line for buildings.

Installed in the accesses to the building, they enable communication with homes, door opening, guard unit call , etc.

This new panel model is more robust, more luxurious and higher design and functional quality. The new design, in its video entry version, includes audio and video functions in the same module.
