

TECHNICAL DATA SHEET

GCCAMH

Miniature Cased PCB Camera

KEY FEATURES

- 1/3" Sony Colour Interline Transfer CCD
- Advanced Miniature Technology
- Ultra Compact Size
- Automatic Gain Control & White Balance
- Ideal For Covert Operations
- Integral Mounting Bracket
- Connector Lead Included
- 12V DC \pm 10%

TECHNICAL DATA SHEET

TECHNICAL SPECIFICATION

Model Number	GCCAMH
Image Sensor	Sony 1/3" Interline Transfer CCD
Horizontal Resolution	540 TVL Colour
Electronic Shutter	1/50
Sensitivity	0.1 Lux @ F2.0
Signal To Noise Ratio	Greater Than 45dB (AGC Off)
Lens	3.6mm
Power Consumption	Less Than 120mA
Video Output	1V p-p ~ 75 Ohm
Dimensions (W x H)	30 x 30 x 30 mm
Power Supply	12V ($\pm 10\%$)
Power Consumption	120mA
Electrical	Built-In Reverse Polarity Protection
Operating Conditions	Temperature: -20C ~ +50C, Humidity: 10% ~ 90% RH

Features and specification are subject to change for further improvement without any notice.
