

# INSTALLATION INSTRUCTIONS

842 - 850 Coronation Road, Park Royal, LONDON, NW10 7QJ  
Tel : 0870 010 1001 Fax : 0870 010 2001 email : technical@planetsrs.com

## LINEAR BOXED POWER SUPPLIES

Doc Ref IN9000 20010411

### Output Connection

Green LED indicates that voltage is present at the output terminals and the fuse is OK. Some battery backup power supplies also have mains OK LED.

Drawing the maximum current from the power supply will inevitably reduce the life of the unit. SRS recommend that you do not continuously exceed 50% of maximum available current.

[www.planetsrs.com](http://www.planetsrs.com)

### Power Connection

(See safety note)

Live	240v	Brown
Earth		Green / Yellow
Neutral	0v	Blue

### Safety

It is important to disconnect mains power before attempting to remove any fuses. Always connect to a 1 Amp fused spur outlet.

### Warranty

The unit is supplied with 12 months warranty against defects in manufacture.

Model	Volts	Amps	ac	dc	Batt. Charge	h	w	d
9000	12	1.60				130	100	68
9001	12	1.60				130	100	68
