

LITHOS TO PERLA

SYSTEM TYPE

VIDEO SYSTEM ^{bpt}

LITHOS PANEL

Lithos is an entry panel created by BPT for the X1 two-wire system. Compact and ultraslim (protruding just 30 mm from the wall), Lithos will blend perfectly into any setting, thanks to its soft lines and elegant brushed stainless steel finish. Lithos can be fitted with single or double push buttons for single-family or two family systems, and features the intercom function as standard without the need for supplementary power supply*. In addition, it can be used to create systems designed to handle up to four calls. Lithos can be installed wall-mounted or recessed.

*Dependent on handset type

- Brushed stainless steel faceplate
- IP54 rated
- Single or double push buttons

PERLA MONITOR

The Perla wall-mounted video entry panel with 3.5" LCD colour display and full-duplex hands-free audio offers excellent audio and video quality while consuming very little energy. With its soft elegant lines and its ergonomic controls the Perla is easy to use, yet stylish in appearance. Available in Ice white and Fusion black, Perla can adapt to any setting in the home.

- 3.5" LCD colour display
- Full-duplex, hands-free audio
- Door lock release
- Wall-mount
