

VANDAL RESISTANT TO AGATA

MULTI
WIRED
200

V.R. PANEL

- Brushed stainless steel construction
- IP54 rated buttons
- Makralon windows and steel grilles

The vandal resistant entry panel range is manufactured in the UK to the highest standards. Any number of buttons can be used in either video or audio panel styles with coded keypads, proximity reader cut outs or name windows if required. Surface or flush mounted, they are the last word in hard wearing, durable entry panel design. As well as a standard range, custom sizes can also be manufactured to suit any application.

AGATA HANDSET

- Extra slim design
- Door lock release
- Wall-mount
- Door bell interface

The Agata handset brings elegant styling and cost effective functionality. The standard kit version comes with lock release, auxiliary button and doorbell interface. Agata provides ease of use, and a clean-cut design in keeping with the BPT handset range.
